## Temporary 5 MPH Speed Limit on Folsom Lake Lifted

FOLSOM – The temporary 5-mile-per-hour speed limit on Folsom Lake has been lifted.

The speed limit was in effect since March 23, due to large amounts of floating debris on Folsom Lake which had become navigational hazards. With decreasing lake levels over the last few days, most of the debris has landed on shore.

There are large amounts of driftwood on shore around the lake which could become navigational hazards as lake levels rise. Boaters are urged to use caution as they recreate on Folsom Lake.

The Folsom Lake State Recreation Area Office is at 7806 Folsom-Auburn Road in Folsom. For more information, call (916) 988-0205.
